Christian Radio Ministry of Pensacola Christian College

July 2010

Dear Friends of RBN,

While it is vacation time for many, RBN continues to air the uplifting music and programming you have come to love and depend on. And because RBN is on the Internet at **Rejoice.org**, those traveling or living outside RBN's broadcasting areas can listen anytime—24 hours a day, 7 days a week!

Listeners from **Oregon** and **Illinois** tell how tuning in to *Rejoice Radio* helps them stay in tune with the Lord:

*"Because of my long ordeal with cancer, I'm often house-bound and in need of encouragement. Your station is a lifeline to me, helping God stay present in my thoughts in an invaluable way."*

*"I enjoy 'Pause for a Proverb' and other inspirational insights shared throughout the day. They keep me focused on the things of God instead of the world. Listening makes me joyful, and I want to rejoice!"*

You can help make a difference in the lives of listeners like those above, by praying for and giving to *Rejoice Radio*. We are looking for more monthly partners to ensure that all RBN listeners continue enjoying excellent Christian music and programs month after month. Please return the enclosed reply card with your gift and check *one-time* or *monthly* gift. You can also call **1-800-726-1191** or visit **Rejoice.org** to donate using credit/debit card (tax-deductible).

We appreciate all your prayers and support.

Sincerely yours,

Tonita Ohman  
Program Director
