## Dear Friends

We anticipate great things at RBN in 2012.

Beginning January 30, we will feature a new program line up, which can be found on the back of this newsletter. Another exciting change is that “Into His Likeness” with Russel Kelfer will be expanded to 30 minutes. The week’s programs will be repeated at various times on Saturday and Sunday for those who miss them during the week. We are also adding a new program called “Beka Horton Speaks to Ladies” on Tuesday and Friday.

We had a great response from our Fall 2011 Share-a-Thon, and thank those who helped us meet and exceed our goal of \$250,000. We are praying that all who pledged to give will follow through on those pledges since this goal is only one-third of our yearly need for facilities, not including cost for repairs or other expenses.

We are also praying that many more listeners will make it a regular part of their monthly budget to send a gift to RBN. Our goal is to reach around the world for the Lord. Help us continue reaching that goal by praying for us, telling others about us, and giving monthly support to the ministry of *Rejoice Radio*. Thank you for your prayers and support.

## From our Listeners

We continually hear from listeners about how the Lord blesses through the ministry of *Rejoice Radio*.

“Congratulations on 40 years, Dr. and Mrs. Horton. ‘Silent gratitude isn’t much use to anyone’ (GB Stern). We love your network. Thank you.”

—Alabama

“The question was asked a while back: Why do you listen to *Rejoice Radio*? My answer to the above question is that *Rejoice Radio*’s programming ministers to me in many ways. It has a tremendous mixture of familiar, **treasured hymns and songs**, along with more recently composed, meaningful songs. The songs reinforce the direction I want my life to take. They can also be used to rebuke me if I am on the wrong path. The content of words and sweet music has a ministry of encouragement and bringing out times of praise. I also appreciate the **quality of the teaching** ministry through the week. Dr. McGee has a very insightful and interesting way of going through the Bible. The devotional speakers are enjoyable and have real spiritual depth in the times they share.” —Indiana

“Thank you for your ministry to my heart and life through God’s wonderful Word and godly Christian music. The enclosed check is for the ministry.”

—Pennsylvania
